PROFESSIONAL EXPERIENCE

Software Developer

IndiCorp IT Solutions Pvt. Ltd., Noida (UP)

January 2025 – Present

- ▶ Architected and delivered ERP & CRM modules — including PO, GRN, inventory, and lead management — reducing manual workflows by ~40%.
- ▶ Designed and implemented RESTful APIs with RBAC-based authentication (Laravel Sanctum/Passport), enabling secure multi-role access for 5+ user tiers.
- ▶ Optimised complex MySQL queries using indexing, query caching, and eager loading, improving critical page response times by ~60%.
- ▶ Collaborated in Agile sprints with UI/UX and QA teams; used Git for version control and Postman for API testing and documentation.

Software Developer

WES Consultancy Pvt. Ltd., Raipur (CG)

December 2023 – December 2024

- ▶ Built scalable backend services using Laravel 10 and PHP 8, implementing service-repository patterns for clean, maintainable architecture.
- ▶ Designed normalised relational database schemas in MySQL and applied migration-based version control for consistent multi-environment deployments.
- ▶ Delivered responsive, cross-browser UIs using Bootstrap 5, HTML5, and AJAX-driven dynamic components.

Full Stack Developer

Tas Pro Company Pvt. Ltd., Raipur (CG)

June 2023 – November 2023

- ▶ End-to-end development of a home-services E-commerce platform covering product catalogue, cart, booking, payments, and admin dashboard.

- ▶ Built reusable REST APIs consumed by both web and third-party clients; implemented AJAX for real-time order status and search features.

Jr. Software Developer

Chaaruvi Infotech Pvt. Ltd., Raipur (CG)

May 2022 – May 2023

- ▶ Developed web applications across E-commerce, Image Marketplace, Real Estate, MLM, and Transportation domains using Laravel and modern frontend stack.
- ▶ Integrated third-party payment gateways, SMS/email notification APIs, and Google Maps API to enhance product functionality.
- ▶ Participated in Agile ceremonies — sprint planning, standups, and retrospectives — ensuring consistent on-time delivery.
